

Greetings from Ocean Eagle Charters!

Thank you for your interest in Ocean Eagle Luxury Charter Boat. We're delighted to be considered for your upcoming cruise function and look forward to delivering an exceptional experience, backed by over 22 years of expertise in hospitality on the water.

Ocean Eagle is a luxurious 72ft catamaran available for private charter, accommodating up to 150 guests. We specialise in hosting a wide range of events including private functions (Christmas parties, birthdays, family celebrations, cocktail evenings, and dance cruises), corporate events (conferences, strategy days, product launches, client hosting, and team building), as well as weddings.

Our vessel is fully licensed, featuring two bars stocked with a premium selection of beers, spirits, liqueurs, and renowned New Zealand wines. Our experienced and friendly bar team will ensure seamless service throughout your cruise. As your onboard Cruise Director, we are committed to making your time with us truly unforgettable.

Often referred to as the "Mini Ship," Ocean Eagle spans three levels and was previously owned by billionaire Bill Koch. Operating from Eastern Viaduct Marina in Auckland, she is known as one of the safest and smoothest vessels on the harbour, even in less favourable conditions.

We welcome you to view the vessel during office hours (Monday–Friday, 10am–4pm). Please call 027 272 1777 to arrange an appointment and experience the layout and setup firsthand.

For detailed information on charter rates, beverage packages, and catering menus, please visit our website. Charter pricing varies depending on duration, menu selections, and your preferred date and time.

Music & Entertainment

We provide a plug-and-play sound system including two commercial speakers and a subwoofer as part of your charter. If you would prefer a live DJ or musician, we can arrange this for \$499 for 3 hours and \$599 for 4 hours (subject to availability and advance booking).

Beverages

As a fully licensed venue, BYO beverages are not permitted. Our onboard bars are well-stocked and operated by a Duty Manager and professional bar staff.

Catering Options

You are welcome to arrange your own catering for a fee of \$799 per charter. If choosing this option, you will need to provide all food, serving equipment, staff, and clean-up. Finger food platters are recommended for ease of service.

We can also provide catering staff at \$59 + GST per staff member (minimum recommended: 2 staff), with an additional 2 hours required for setup and clean-up.

Additional Information

- Some events (e.g. 21st birthdays) may require security staff at \$59.00 per hour, depending on guest numbers and hours of Charter.
- A refundable bond of \$1,000 (or \$2,000 for 21st events) is required and returned within 72 hours, subject to no damage.
- One hour is allocated for setup and decorations. Additional time is charged at \$99 per hour.
- Extended charters (approx. 5 hours) can include a Waiheke Island stop for \$99 per drop-off/pick-up.
- Our onboard TV is available at no extra cost for displaying photos or videos (with prior arrangement).

We cater to a wide range of charter types including BBQ cruises, day trips, sunset cruises, champagne breakfasts, celebrations, weddings, corporate functions, and more. We also offer private, confidential meetings for up to 10 guests while berthed at the Viaduct.

Parking is available nearby in several public car parks within walking distance of the marina.

Booking Terms

To secure your charter, a 50% deposit is required. Full payment is due 15 days prior to departure to allow us to finalise staffing and event details.

Please feel free to reach out if you have any questions or would like to explore options further. We look forward to hosting you onboard Ocean Eagle and making your event truly memorable.
